Saudi Council of Engineers
Classification: Management Information Systems Specialist
Membership No.: 1213520

EDUCATION

Bachelor's Degree in Management Information Systems
King Khalid University

Systems Analysis & Design, Requirements Analysis & Gathering, Database Management, Data Analysis & Visualization, Business Process Improvement, Project Management.

PROFESSIONAL EXPERIENCE

- Document Preservation Specialist

Alqotr Company Limited | November 2025 - July 2026

Coordinated construction projects for Preventive Security facilities at air bases, monitoring progress, preparing management reports, and maintaining project records. Managed Finance, Procurement, HR, and Etimad requirements while coordinating with relevant departments.
Developed and coordinated a SAR 30 million project opportunity, through stakeholder engagement and cross-functional follow-up toward execution before its final withdrawal.

PROJECTS

- ("My Fitness" Digital Fitness Community Platform)

King Khalid University (MIS Program)

Contributed to a collaborative academic project for a digital fitness community platform, focusing on Requirements Analysis, Object-Oriented Analysis & Design(OOAD), and Database Design. Following the project, independently redeveloped the concept into a functional web application with user roles, workflows, and documented functionality. **Key Contributions**: Requirements Analysis · OOAD · Database Design · Independent System Development & Implementation.

- Gasoline Supply Chain Redesign (BPR)

King Khalid University (MIS Program)

Led an academic BPR project to redesign the gasoline supply process for fuel stations, focusing on Process Analysis, Supply Chain Optimization, and Operational Improvement. Following the project, independently developed a functional web application to visualize the redesigned process, workflows, stages, and proposed solutions. **Key Contributions**: Business Process Reengineering (BPR) · Process Analysis · Supply Chain Optimization · Strategic Planning · Independent System Development & Implementation.

CERTIFICATES & COURSES

- **Project Management Professional (PMP)**_Training Program - Oxford Training Academy (OTA), September 2026
